To

Secretary to the Government of His Highness the

Maharaja of Mysore, Revenue Department,

BANGALORE.

Sir,

With reference to your letter No.L 780-9/M1 213-20-2 dated the 9th August 1921 regarding the levy of profession taxes in lieu of the Mohatarfa shop tax, I have the honour to state that the levy of the shop tax is still being continued in all the Town Municipalities of this District.

2 No doubt the continuance of this tax is not justified under the Municipal Regulation Section 60 of the said Regulation requires every Municipal Council before imposing any tax to prepare rules and obtain Government sanction therefor,

3. Accordingly the councils of Tumkur, Kunigal, and Maddagiri framed rules for the levy of the profession tax of which the rules of Maddagiri have been since sanctioned by Government those of Tumkur are still pending with the Government and those of Kunigal are pending with the Municipal Council for being revised as per observations made by the Government and communicated to them. The remaining municipal councils have yet to frame the required rules They have all been reminded in this office review of the Municipal Budget Estimates for the current year, to take early action for the introduction of the profession taxes

4 Since the Municipal Revenue would fall down to an appreciable extent if the Mohatarfa shop tax which was in vogue from a long time were to be abolished before the profession tax takes its place, the councils have kept on the said Mohatarfa shop tax

Requesting that Government may be pleased to order that profession tax may take effect from 1st January 1922.

They will however be urged to give effect to the Government Order of the 22nd September 1919 without any further delay, and as it requires sufficient time for framing rules and to obtain Government sanction therefor after observing all the required formalities I would request that Government may be pleased to order the said profession tax to take effect from the 1st January 1922.
